## SUMMARY

Enthusiastic and detail-oriented software engineer with a strong foundation in SQL, Javascript, React, and Cloud technologies. Interested in contributing to collaborative team environments and using hands-on experience with web and cloud-based tools to deliver impactful solutions. A fast learner with a commitment to continuous growth and excellence in software development.

## SKILLS

Backend & Databases: AWS, Node.js, SQL, Firebase Frontend Technologies: HTML, CSS, Tailwind, React, Bootstrap, Figma, Adobe Illustrator Scripting & Tools: Python, Shell scripting, Linux, JavaScript, Power BI

## WORK EXPERIENCE

### Jindal Steel & Power

Information Technology Intern

Aug 2023 - Oct 2023

Gurugram

- Designed and developed responsive website pages and login forms using HTML, CSS, and Bootstrap to ensure compatibility across devices.
- Delivered high-fidelity prototypes using Figma for seamless development workflows.
- Optimized page load times, improving user experience and reducing bounce rates.

### Synarion IT Solutions

Web Developer Intern

Mar 2023 - May 2023

Jaipur

- Refined website designs using HTML and CSS, increasing user engagement by 15%.
- Implemented React.js features for dynamic interfaces, enhancing functionality and usability.
- Conducted performance tests to ensure responsiveness and robustness.

## PROJECTS

### Food Ordering Application

- Built a React.js-based frontend integrated with Firebase backend for a seamless user experience.
- Added real-time order updates, increasing customer satisfaction scores by 25%.

### Lyriks Music Application

- Integrated APIs for music data retrieval, leveraging React.js and Redux for state management.
- Reduced load time by 20% through performance optimization.

### AI Bot

- Created an AI-powered bot using Python and Tkinter to automate maintenance tasks.
- Designed a user-friendly interface for simplified task execution.

### Medical Equipment

- Built a responsive frontend using Figma, HTML, and CSS.
- Enhanced search functionality for a smoother browsing experience.

## EDUCATION

### Uttarakhand Technical University

B.Tech in Information Technology

Oct 2020 - Jul 2024

GPA: 7.1

### Modern Vidya Niketan

Senior Secondary Examination (XII)

Mar 2018 - Apr 2019

GPA: 8.2

### Modern Vidya Niketan

Secondary Examination (X)

Mar 2017 - Mar 2018

GPA: 9.8

## CERTIFICATIONS

### Udemy - The complete web development bootcamp

Complete web development bootcamp
